Research Lab and Artistic Retreat

10. & 11. Mai at Kunstquartier Bethanien, Berlin-Kreuzberg

With Valentín Sanchez/ ES & Kristin Guttenberg/ D

A TRAF0* Workshop for global citizens

For International inhabitants, temporary transits, originals, long-established and new-arrivals in the City

About Creative intervention, activism and actual realities of *Living Berlin*

What An enriching space for inquiry and sense-making, exploration and play

Curiosity moves the question: **What are we here for?**

What is possible? What is needed here and now? What do I perform ?

How

A research-retreat with facilitated sessions. Two days and one night in a spacious studio and vivid neighbourhood.

A sharing, learning & exploration journey within a rich cultural cohort.

Research and creation processes inspired by

Reflective & creative dialogue combined with research in the urban surroundings and composition tools can lead to unexpected outcomes. These may inform and enrich our individual and collective steps to create and co-create the world we *live*.

**Somatic Sessions
Internal Martial Arts
& Contact Improvisation**
